

## **PGRG Club Guest Pass Policy**

Due to the frequent abuse of the guest privilege, the executive officers and board of directors have decided to make it mandatory that all "*guests*" be in possession of a purchased day pass or a 1 day *guest* pass issued by a member of the board [info@pgrgclub.ca](mailto:info@pgrgclub.ca) . Failure to be in possession of a valid pass will result in the expulsion of the guest and the loss of range use by the member until the next meeting. Members are responsible and liable for the actions of their guests.

A day pass may be used towards a purchasing a club membership. Day passes are available at Bon Voyage Sports or from club directors.

Thanks,

The Executive and Directors  
Prince George Rod and Gun Club
