

AIR RIFLE MATCH

January 16, 2011

The weather outside was terrible, but the heat was on and the fun begins. Three brave souls (crazy souls) ventured out for a day of AIR RIFLE SHOOTING.

The three shoot an 80 shot indoor Silhouette match then a 20 shot at moving targets. Last but not least, beat the champ which was a 20 shot match.

There was some great shooting taking place with some friendly bantering. The conversations that were conducted would have supplied several farmers with fertilizer for years to come.

The first Silhouette match was won by Don with Merl a very close second and Gordon bringing up the third place spot with a respectable score.

The second match was not so good for Don and Merl became the champ by One. The moving targets were then shot which was a lot of fun. With the targets moving from left to right then back to the left with a 6 second rest. 10 shots in each direction. Some good laughs were had by all and the target cabinet only got shot three times, once each.

Then, on to *BEAT* the "*Champ*". This was a 20 shot match with scaled down Silhouette's at 10 metres. Merl was the Champ to beat, but, none of us beat him.

Over all a great time was had by all.
